

# Train-n-Tote

**Our Train-n-Tote equipment essentials package includes the items below for \$90.10 (including tax! )**

- \* 2 - clickers
- \* 1- Retractable lanyard - Attaches to your clicker, and prevents you from dropping it so your click-timing can be perfect!
- \* 1 - Martingale collar - Safety essential! This collar prevents your pup or dog from backing out of their collar while on leash. You'll select the color and we'll fit the collar properly for you during Week 1 check-in.
- \* 1 - Leather leash - easier to handle than thick nylon
- \* 1 - Bait bag - Adjustable waist strap can be sized to fit. Makes having food rewards with you easy!
- \* 1 - Rope chew toy
- \* 2 - bags of treats
- \* 1 - 30 ft long leash - to work on distance work at home, such as recalls

***All items come together in a convenient Woofology tote***
