

Thank you for contacting Trainers Academy, LLC, Metro Detroit's number 1 choice for positive reinforcement dog training and daycare!

Our Intermediate class is a comprehensive, step-by-step training program designed to teach your dog basic manners, and strengthen the bond you share. The class meets for 90 minutes, once a week, for 6 weeks and is taught using positive reinforcement (clicker method and food rewards). We do not use or allow choke chains, pinch (prong) collars, shock collars, etc. Click [Intermediate](#) to read more about the class and [Here](#) for the upcoming class schedule. The fee for this class is **\$289**.

Family members 13 years of age and older are welcome to attend our classes, accompanied by a parent or guardian. For safety reasons, children under 13 years are not able to come to class; however, you will be emailed training guides each week which detail the exercises you learned in class. This makes it easy for you to work with your dog and your child/children at home, if they are younger than 13 years of age.

We invite you to give us a call to arrange coming in to observe a 90 minute session of our Intermediate class. In fact, we suggest that you take the time to observe *any* program(s) that you're considering, before you make your final decision. With so many choices you owe it to your dog, and your pocket book, to be sure that you're making the best choice for training, so please call us at 248.588.3222 and we'll let you know the dates and times available.
